Bruce,

I apologize for this getting to you a few weeks later. If you look below you will see that I originally sent this email to the wrong address. That person said they didn't read the email but realized it was not meant for them.

Could you please answer the questions below.

Good afternoon Bruce,

I recently received your advisory opinion request. I have a few questions for you. This will help the Board to more properly answer your request. Please answer the following:

- 1) What is your position with the St. Charles Parish Assessor's Office?
- 2) What is the name of the company in which you have an interest?
- 3) What percent interest do you own?
- 4) What goods or services does this company sell or perform?
- 5) Can you provide an organizational chart of your position within the assessor's office including any people you may supervise?

I may have some follow up questions based upon your responses. Your prompt attention to this matter is greatly appreciated.

Thanks,

Brett Robinson
